

DIM SUM FOR THE FAMILY

Tips for Couples and Parents

BY JOHN NG

Jointly published by EMCC (Eagles Mediation & Counselling Centre) and Armour Publishing www.emcc.org.sg

Dim Sum for the Family is a timely and practical book that discusses issues and challenges that confront marriage and parenting in our modern world. Written in bite-sized chapters from the author's own experience and research, this illuminating book covers topics like "Great Marriage: Myth or Reality?", "Great Children: Nightmare or Dream?", "Great Parenting Skills Tool Box" and "Transforming Conflicts into Opportunities". This compendium of wisdom, peppered with enlightening personal anecdotes, will equip you with the keys to a wholesome and enriching family life.

"This is an authentic book...easy-to-digest..."

Dr Em Griffin

Professor Emeritus of Communication, Wheaton College

"This book confronts an urgent and complex issue of our society...you will find this book compelling, honest and even hard hitting. If every chapter is a tool, this book is filled with many practical tools you would want to have in your personal tool box on relationships."

Ms Tina Ong Hung

Director, Service Development & Deputy CEO, National Council of Social Service
